

**Tulsa needs
more makers,
problem-solvers,
inventors and
entrepreneurs.**

To expand our impact to more of the Tulsa community and surrounding rural areas of Northeastern Oklahoma, Fab Lab Tulsa needs your help. The maker movement is inventing the jobs and industries that will reshape our communities, consequently creating an entirely new wave of economic opportunity. Your gift will help Fab Lab Tulsa add the organizational capacity and resources needed to empower the current and future makers of Tulsa. You can make a real difference today by contributing to the Give A Bit annual campaign.
